

SEMINAR INVITATION

Your Safe and Fast Track to Grasp Business Opportunities in Hong Kong and Mainland China

17th May, 2013 in Zurich, Technopark

Free Participation

Organizers:

- Nanhai People's Government of Foshan, Guangdong, China
- Hong Kong Science and Technology Parks Corporation, Hong Kong

This forum aims to facilitate Swiss companies to grasp exciting business & Technology opportunities in Hong Kong & China based on the 'GuangDong – Hong Kong innovation circle' governmental collaborative model. This new model will enable tech companies to enjoy the benefits of 'one country, two systems' that Hong Kong provides the international financial centre support, talent pool, world-class R&D infrastructure and IP protection for R&D development. Whereas, Mainland China provides affordable manpower and land resources for manufacturing, financial incentives as well as a huge market for the diffusion and adoption of technologies and products .

Senior Government officials and business executives from Nanhai, Guangzhou and China will explain these exciting business opportunities to you at the seminar. One-to-one meetings with relevant government officials, China and Hong Kong technology companies will be provided for interested participants.

Target Audience: Senior management of tech companies, industrialists, business advisors and consultants are welcomed.

Time: 0900 – 1200, 17th MAY, 2013
